A WORD FROM YOUR DIRECTOR

WOW! What a meeting. We had a wonderful Region 4 meeting in Nashville, Tennessee on August 1-3. Dee Beardsley, PP, PLS, our NALS President, was able to be with us and was well received. Thanks to all who helped to get this meeting organized. It was absolutely fantastic. The Tennessee ladies worked extremely hard getting some great speakers. Everyone worked together to get some fantastic sponsors, vendors and exhibits. It was as if Christmas had come when we got our goodie bags. All our states worked together in getting this meeting organized and supplied with what we needed for a successful meeting. The Tennessee ladies were able to get the CLE approved by the Tennessee Bar so that the attorneys that spoke and those attending were able to receive CLE credit. We were able to supply nine attorneys with 27 hours of legal educations.

On Friday night, we started our conference off with a Welcome Reception. This was well attended and we had our NALS President, Dee Beardsley, PP, PLS (in red flowered jacket) as well as three of our past presidents in attendance: Chris Gaylon, PLS, (right side of picture) Marie Ringholz, PP, PLS (not in picture) and Mary Jo Denman, PP, PLS (standing on right). We had three hours where members came in and visited with each other and had refreshments.

On Saturday, we had five attorneys speak to us on various subjects. Our speakers included Ed Yarbrough, U. S. Attorney, Middle Tennessee, who spoke regarding Federal Criminal Law, including Project Safe Neighborhood. His emphasis as United States Attorney, is on prosecution of violent crimes with guns, narcotic violations and internet distribution of child pornography.
